*Dedicated to the memory of the fallen heroes from
Northern York County Regional Police Department.*

Their bravery and the ultimate sacrifice they made to protect our community will never be forgotten. Standing as guardians of peace, they dedicated their lives to the safety and wellbeing of others, leaving a legacy of selflessness, resilience, and an unyielding sense of duty. Facing danger with courage, they upheld justice with integrity, and left an indelible mark on the lives they touched. Their sacrifice reminds us of the heavy price paid for our safety and freedom. To their families we extend our deepest condolences and gratitude, knowing the loss is immeasurable.

We encourage others to carry forward their memory by living with the same values they upheld to inspire unity and continued respect for law enforcement. The men and women that put on a uniform are the best of us.

We not only honor Detective Sergeant Cody Becker, Detective Isaiah Emenheiser, and Detective Mark Baker for their sacrifice to save two others but also the two other officers that were severely wounded during the ambush. Both wounded officers have been released from the hospital and are on the long road to recovery.

Our thanks and gratitude go out to all police and first responders not only for that tragic day on September 17th, 2025, but for what they do every day. The outpouring of love, honor, respect, and support from all over the world was amazing.

Township Lost & Found

If you have lost an item at one of our
parks, please call the office to see if it
may be in our Lost & Found box.

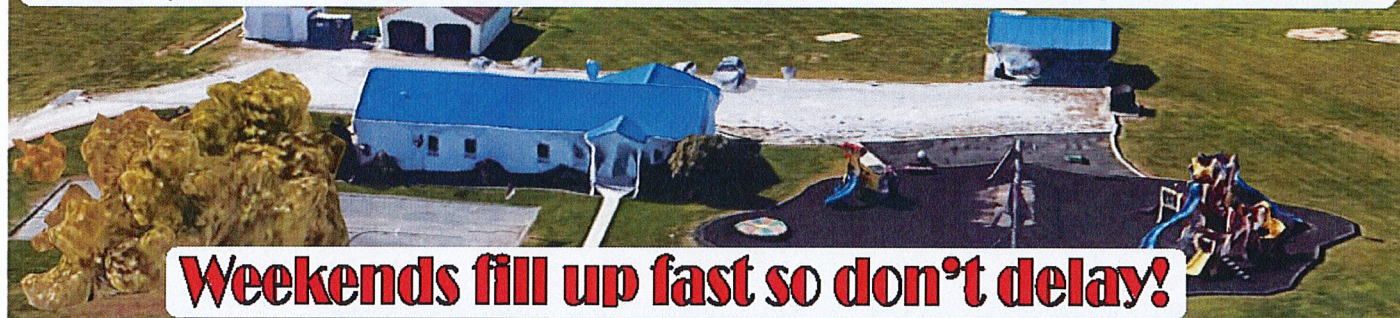

**We are in the office Monday-Thursday,
7AM-5PM.**

Happy Retirement Greg!

After 18 years of working for Conewago Township, Greg Fetrow has officially retired from his full time Road Crew position. But, don't worry you will see his smiling face as he will still be mowing township grounds. Greg is looking forward to spending more time hunting, golfing, and watching the Phillies and Eagles (hopefully win). Thank you for your years of hard work, Greg! The township is happy that you will still be around seasonally. We wish you all the best in your retirement!

Zion View Social Hall is available for rental year round!

Weekends fill up fast so don't delay!

Rental fee is \$250.00 per day.

Rental arrangements must be made in person at the Township Office located at 490 Copenhaffer Rd Monday through Thursday 7-5.

Building has a maximum capacity of 80 people.

Ball fields and accessory pavilion are available on a first come basis.

Free wifi provided.

Premises are monitored by security cameras for safety.

Check our website for Rules and Terms of Conduct.

www.conewagotwp.com

Thanks to all our vendors, entertainment, and residents for making Food Truck Fridays 2025 a success!

Come join us next year starting May 1st, 2026 (weather permitting). We are planning new improvements to Mill Creek park to make it even better!

Have a Food Truck or play in a band?

We are always looking for new vendors and entertainment!

Reach out to Bonita at BKiser@conewagotwp.com or 717-266-2122 for more information.

Love it or Hate it

Last year, we introduced a 9ft Christmas tree to our lobby. It was such a beautiful beacon to welcome residents to the Conewago Township Administration Office. Many people complimented the tree and were very excited about it, others not so much. It is so beautiful, we didn't want to think of putting it in storage. So, we decided to make it an all seasons/holiday tree.

We had hearts, XXX's and OOO's for Valentines Day, followed by painted eggs and spring flowers for Easter. We then chose red, white and blue decor with flags for July 4th. Our best one is on display right now, the "fa-boo-lous" Halloween tree (Thanks to Bonita for the title). Coming up with ideas and decorating the tree has provided our office staff a creative outlet, and a fun way to relieve stress. Be sure to stop in to see the Thanksgiving tree!

WELCOME TO OUR NEW EMPLOYEES!

Conewago Township would like to welcome Brian Gross and Joshua Thomson. They are our newest road crew members. Be sure to say hello if you see these two out and about on the roads!

THANK YOU TO ROSE'S GREENHOUSE

A special thank you to Rose Crane for donating flowers to fill the boxes located in front of the Township building. We greatly appreciated the pops of vibrant color they provided throughout this past Spring and Summer!

The Northern York County Regional Police Department, in conjunction with the NRA is proud to present the national, award winning program:

Refuse To Be A Victim.

Date: Saturday- November 1, 2025

Time: 9 AM to 12 PM

Location: Conewago Township Building
490 Copenhaffer Road York, PA 17404

This program is designed to teach strategies that can be used to avoid dangerous situations and focuses on proactive courses of action that may help reduce the risk of becoming a victim of a crime.

This program is free and is available to anyone who wishes to attend.

For additional information on the program or to register please visit:

www.nycrpd.org or <https://rtbav.nra.org>

*Our hours of operation are
M-F 8am-2pm
where we provide:
5+ Hours of Daily Activities
& Serve a Hot Noon Meal*

A daily lunch meal is served Mon-Fri. Monthly average attendance of 1,200 seniors from all of York County. *Partially* funded by the York County Area Agency on Aging and we rely heavily on fundraising and sponsorships from members & local donors.

Our Home-Delivered-Meals Program covers 125 square miles each week within 10 municipalities across York County. NASSC volunteers deliver a monthly average of 1,500 meals to our homebound seniors.

We're a non-profit 501(c)3 organization with a *free* membership to any York County resident age 60+ and their spouse (regardless of age)

P.O. Box 386 • 131 Center Street • Mount Wolf, PA 17347 • (717) 266-1400 • seniorstars@nassc.org

Northern York County Regional Police Department

We are proud to announce the new police facility is finally completed and in full operation. The headquarters is located at 1 Regional Way, a 13 acre property in Manchester Township.

A ribbon cutting and open house was attended by many on September 13, 2025. Posting of the Colors was by the NYCRPD Honor Guard. Several speakers included: US Congressman Scott Perry, PA Senator Kristin Phillips-Hill, PA State Representative Seth Grove, President County Commissioner Julie Wheeler, District Attorney Timothy Barker, NYCRPD Commissioner Lorreta Wilhide and York County Economic Alliance Katie Mahoney. Of course, we cannot forget the Master of Ceremonies, Chief David Lash. Everyone could see the joy and pride he felt when presenting the new facility to the community....

NYCRPD serves over 90,000 residents and is the largest Regional department in Pennsylvania. The Officer David Tome substation will continue in operation at 6115 Thoman Drive, Spring Grove but the former station on Canal Road is now closed.

Fire Protection provided by
Strinestown Community Fire Co. Station 26
5690 Susquehanna Trail, Manchester, PA 17345
717-266-1131

WE NEED YOU! Strinestown Community Fire Company is strictly a volunteer fire company. In a year, we average between 300 and 400 emergency calls. Strinestown Community Fire Company is the sole provider for Conewago township. Every firefighter volunteers their time to help you in a time of crisis or in the time of need. There are two types of Members. An Operational Member is for someone who is 18 years or older that is interested in participating in fire/rescue calls. Experience is not necessary and free training is offered. A social member is for an adult that is not interested in responding to fire/ rescue calls. As Emergency calls increase, so does our need for new members. The newest advantage is the availability of the York County property tax rebate now available to first responders. For more information, please contact us at Strinestownfireco@comcast.net.

If you cannot volunteer your time, please consider a monetary donation. Donations can now be made online via scanning the QR code.

Reminder! Make sure smoke detectors are working, are tested, and the batteries are changed every year. This is your first defense of being hurt or killed. Smoke detectors should be on every floor and outside every bedroom. Fire extinguishers should be placed in the kitchen, garage, and near the furnace. There are many different types of extinguishers. When purchasing an extinguisher make sure that it meets the most common fires found in a home.

Wellspan EMS

WellSpan EMS offers a wide service area and an affordable rate structure. Their membership runs from July 1, 2024 through June 30, 2025. Please contact WellSpan EMS membership line at 717-736-4666 to speak with one of their qualified membership representatives if you want to join as a member, or if you have any questions.

Currently Dover EMS serves part of Conewago Township in the area west of Jug Road and South of Canal Road. In order to be covered by both Dover EMS and WellSpan, it is in the best interest of those living in the western areas of Conewago Township to belong to both Dover EMS and WellSpan.

Any questions please feel free to call the station at 717-292-9776.

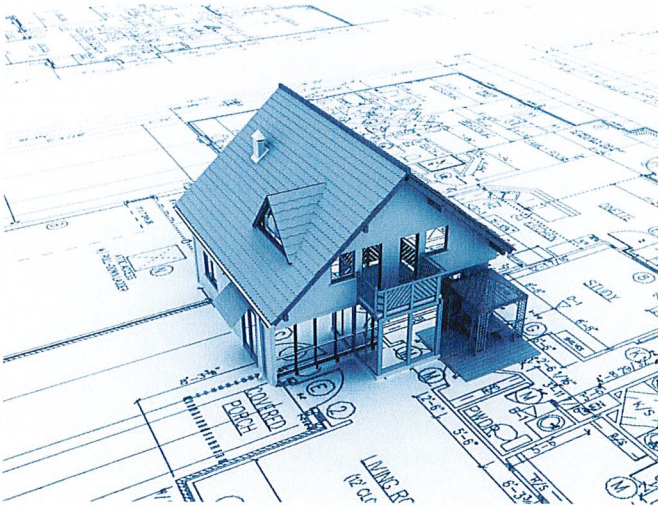

WHEN AND WHAT PERMITS ARE REQUIRED

From time to time residents ask when do I need a permit or when is a permit required.

Many don't realize that there are various permits required for different projects.

For more Information contact the Zoning Office at 717-266-2122, ext. 13

BUILDING / UCC PERMITS

A building permit is required for all construction projects, residential, commercial, industrial and agricultural. The application should be submitted 30 days prior to actual construction. All construction projects must meet the 2018 International Residential Code for residential use and the 2018 International Building Code for commercial and industrial uses. To determine if your project is applicable call the township office .

POOL PERMITS

All residential in-ground and above-ground pools capable of holding 24 inches or more of water, require a permit, whether temporary or permanent. All pools with sides less than 48 inches high require a fence of 48 inches high. All Spas/Hot tubs require permits.

DRIVEWAY PERMITS

Permits are necessary for all new driveways. The repaving, repairing or improving of an established existing driveway require permits & Stormwater Management needs to be addressed.

STORMWATER PERMITS

All new impervious surfaces created must address stormwater i.e. sheds, garages, side-walks, patios and pavilions. Gravel is considered impervious.

ON-LOT SEWAGE PERMITS

Sewage Permits are required for all new and repairs to existing on-lot systems.

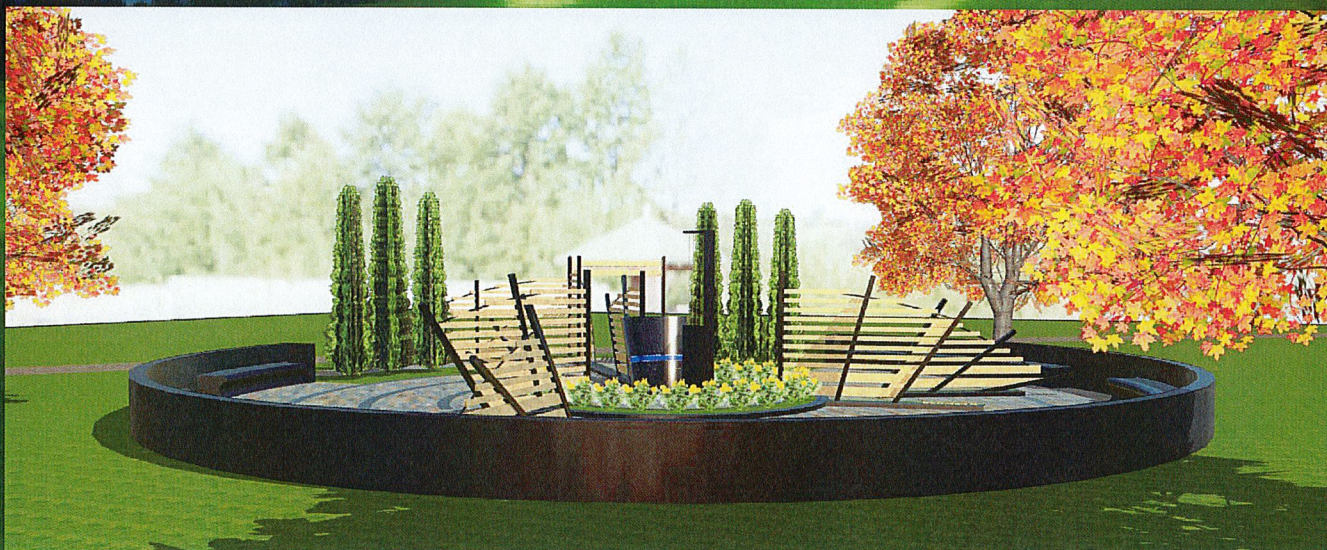

This only lists a few of the more common permits that are required. Each property owner is responsible to obtain the necessary permits prior to the start of construction. Normal hours for permits are Monday thru Thursday 7am-5pm. Please call before you stop by for permits as the Building Permit Officer may be out on inspections or code enforcement issues.

**We are planning a new feature for Mill Creek Park!
Conewago Township's Fallen Officers Garden Labyrinth Memorial.**

Designed for healing, contemplation, and serenity the garden will function as a traditional garden labyrinth with a memorial to fallen officers that have sacrificed all in the line of duty at the center. The path is divided into three sections dedicated to one of three principles Fidelity, Honor, and Service, while the center holds a memorial.

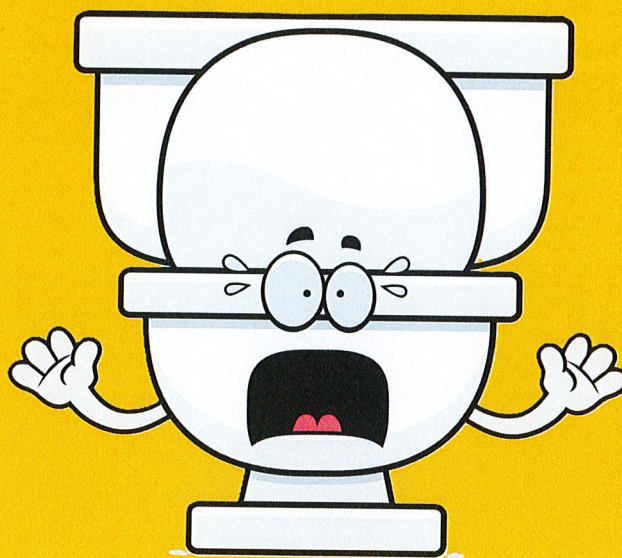

Dating back at least 4000 years, labyrinths have been found all over the world, embraced by a wide range of cultures, religions and philosophies. Differing from mazes which feature a multitude of dead ends and false paths, labyrinths feature a single path leading to a final destination. The goal of labyrinths run the gamut from self-discovery, spiritual enlightenment, or religious symbolism, to emotional healing, communing with nature, or simple relaxing quietude.

Our Memorial Labyrinth is intended as a place of remembrance to assist our community in healing from recent losses. Construction is tentatively planned for next spring.

Conewago Stormwater Management Ordinance #344

Effective November 6th, 2023

What is Stormwater?

Stormwater is precipitation that runs off impervious surfaces, such as rooftops, paved areas, or stone, and runs into stormdrains, sewage systems, or directly into lakes and rivers.

Why is managing Stormwater important?

Stormwater runoff picks up contaminants, such as chemicals, bacteria, or debris from every surface it crosses, and because it does not infiltrate into the soil, it is not filtered prior to entering surface, or ground waters. This contamination can lead to toxic algae blooms, bacterial or nitrogen overload, low-oxygen dead zones, and other negative impacts to local waters.

How does managing Stormwater help?

Stormwater management aims to capture water at the site and allow it to infiltrate into the soil and be filtered before it ultimately replenishes ground water aquifers or local waterways.

Who is responsible for managing Stormwater?

The property owner is responsible for controlling stormwater runoff on their property. Conewago Township directs stormwater management on the Municipal level by enforcing our Stormwater Management Ordinance through permitting and outreach. This requirement is a mandate from the United States Environmental Protection Agency (EPA), Pennsylvania Department of Environmental Protection (DEP), and York County. Failure to comply with these mandates would subject Conewago Township as a whole to penalties from DEP, EPA, or both.

What property owners should know.

The creation of any new impervious surface requires the submission of a Stormwater application to control Stormwater runoff. Please note that gravel is considered an impervious surface. We have worked with our Township Engineer to create a Small Projects Management Guide to assist property owners in finding inexpensive solutions to stormwater management on projects under 2500 square feet.

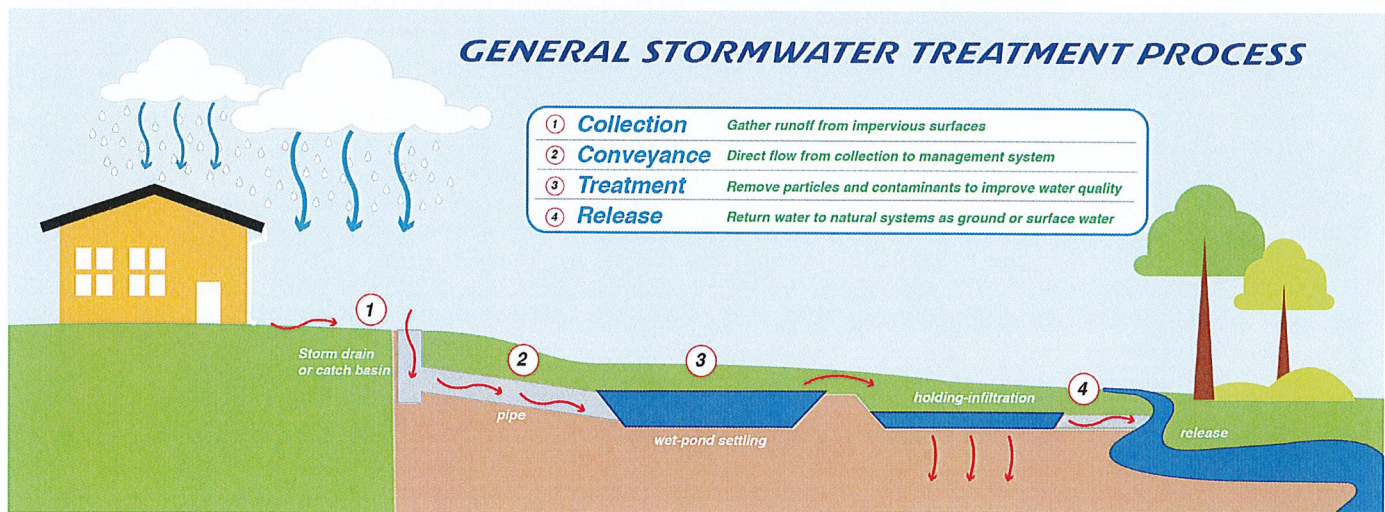

See Conewago Township's Stormwater Management Ordinance #344 on our website here:

<https://www.conewagotwp.com/ordinances/>

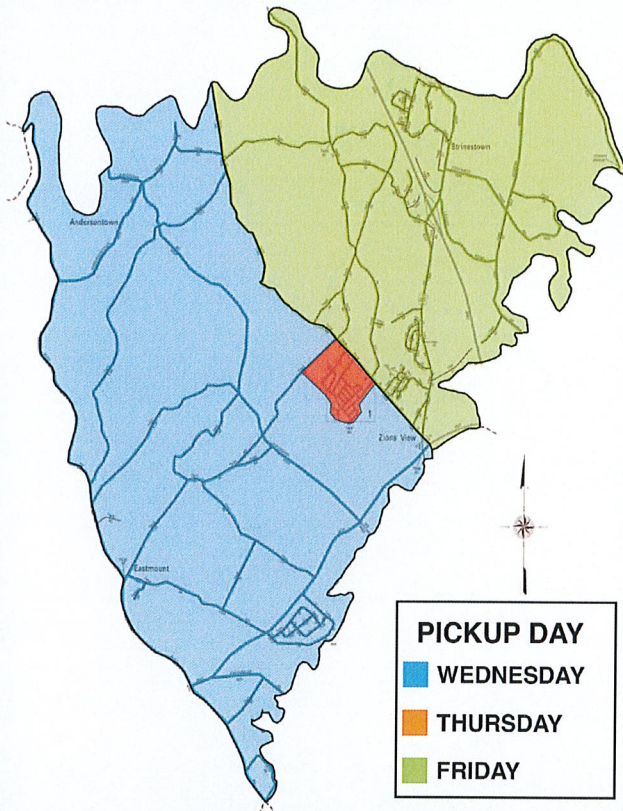

Find applications for Stormwater Management, or other supporting documents here:

<https://www.conewagotwp.com/forms-permits/>

Together we can keep the waters of Conewago clean!
